Provides relative to school crisis management and response plans

The proposed legislation requires each public school principal, including charter schools, to prepare school safety, security, and crisis preparedness, prevention, response, and after action management and review plans jointly with local law enforcement, fire, public safety, and emergency preparedness officials instead of soliciting input where appropriate. Each school principal is required to conduct a safety drill within the 1st 30 days of each school year and report details of the drill to the superintendent within 7 days.

EXPENDITURE EXPLANATION

The proposed legislation will not directly result in an increase in local governmental expenditures. The proposed legislation may require school staff to spend additional time revising school crisis management plans based upon increased input from local law enforcement, fire, public safety, and emergency preparedness officials, but there is no requirement in the legislation that would result in additional local expenditures.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
